PROFESSIONAL EXPERIENCE

Data Fellow, Business Development Services Analyst

Sep 2025 – Present

CEI (Coastal Enterprises, Inc.) — Portland, ME (Hybrid)

- Manages end-to-end data pipelines across Salesforce, SQL, and Power BI to track outcomes and impact for CDFI (Community Development Financial Institution) programs and services
- Successfully leads large-scale data cleaning initiatives across 10,000+ records and fields, including company demographics, employee counts, and financial data, strengthening data completeness for Small Business Administration (SBA) regulatory reporting
- Builds SQL and Power BI dashboards tracking capital transactions, loans, private investments, and equity exceeding \$7M
- Designs SQL views and Power BI dashboards for real-time KPI monitoring (Good Jobs metrics, wage quality, sector impact across agriculture, climate, child care and social equity)

Program Manager, Advocacy & Engagement

Jan 2023 – Jul 2024

Center for Alternative Sentencing and Employment Services (CASES) — New York, NY

- Managed data operations and advocacy for multi-agency public service programs, including mental/behavioral health-informed alternative-to-incarceration services, serving 150+ clients annually
- Led cross-sector collaboration across 50+ partners to improve service delivery, data tracking, and strategy
- Authored data-driven impact briefs for city agencies and government funders, analyzing program outcomes to support contract renewals, funding decisions, and regulatory reporting
- Managed a team of 5, driving improvements in program performance, CRM systems, workflows, and project management

Manhattan and Supreme Court Liaison — Advocacy & Data

Mar 2021 – Jan 2023

Center for Alternative Sentencing and Employment Services (CASES) — New York, NY

- Directed client advocacy, court communications, and case data tracking, including data on mental health and social services provided, across a caseload of 150+ Manhattan Criminal and Supreme Court cases annually
- Analyzed case and program-level data to surface trends, shape advocacy strategy, and strengthen public policy

Family Court Liaison — Advocacy & Data

Sep 2019 – Mar 2021

Center for Alternative Sentencing and Employment Services (CASES) — New York, NY

- Served as primary liaison to Manhattan Family Court, coordinating communication across attorneys, judges, and case teams on cases involving mental health and family services
- Tracked and analyzed case data across 150+ family court clients, managing CRM systems and data for regulatory reporting

Sustainability Manager

Jun 2018 – Sep 2018

Student Conservation Association — New York, NY

- Managed a sustainability field team, coordinating with state park officials and environmental agencies to ensure compliance with regulatory requirements and conservation standards

Business Development Associate Intern

Mar 2018 – Jun 2018

NeuroLeadership Institute — New York, NY

- Managed HubSpot CRM and led business development communications across 30+ corporate accounts, coordinating outreach and relationship-building for consulting and DEI training engagements

Communications Coordinator Intern

Jun 2015 – May 2017

Equality Equation — New York, NY

- Managed executive communications and data-informed content strategy
- Led RFP development and stakeholder messaging for equity-focused campaigns

PROJECTS

Founder

- Manages the development of a full-stack application using Node.js, Express, and PostgreSQL, implementing RESTful APIs to display ESG and corporate governance data to the frontend
- Designing a PostgreSQL schema with 30+ tables modeling company sustainability data, supply chains, shareholder activity, executive compensation, and consumer sentiment to support ethical consumer decision-making

ESG Company Recommendation Engine

- Built a Python program delivering personalized company recommendations by matching corporate ESG data with user preferences

Oil Supply Chain Analysis

- Mapped U.S. oil supply chains using Python and federal APIs
- Analyzed price trends and weekly import volumes across selected export regions

Recidivism Reduction Reporting

- Conducted quarterly and annual regulatory reporting on recidivism rates for NYC-funded Alternative to Incarceration programs
- Tracked demographics, education, and service outcomes to identify factors mitigating recidivism
